

## TIGER FIELD HOUSE & CLASSROOM ADDITION

Broken Arrow High School leveraged bond dollars for this 23,400 SF expansion of their existing field house lobby and classrooms. The spacious addition ties the field house to the main classroom building, adds ten science classrooms, and provides a clear, logical flow through the multi-use areas. It provides improved access from both the campus and the reconfigured parking. The enlarged, light-flooded lobby includes new concessions which serves events and provides a satellite lunch facility to alleviate cafeteria overcrowding. A new hospitality room overlooks the gymnasium.
